Hi, Mike.

I'm heading home tomorrow and planning to be in the office on Monday. I will try to follow up with her by the end of the week.

I hope to touch base with you as well!

Thanks!
Cynthia

Hi Cynthia,

I hope they aren't overworking you! I talked with Mary Green from Ann Green Communications the CFAC panel Facilitator. I let her know you were our CIC and that it would be a good idea if you two you have a talk about the project and where we may go from here with Community involvement as we have some requirements to meet as well. She asked if I would pass on her POC information and told me she would put together a binder of things they have collected over the past few months.

Her contact info is:

Let me know if there is anything else you might need.
